

## Get your access to the members area in the Download Center of [www.wfsgi.org](http://www.wfsgi.org)

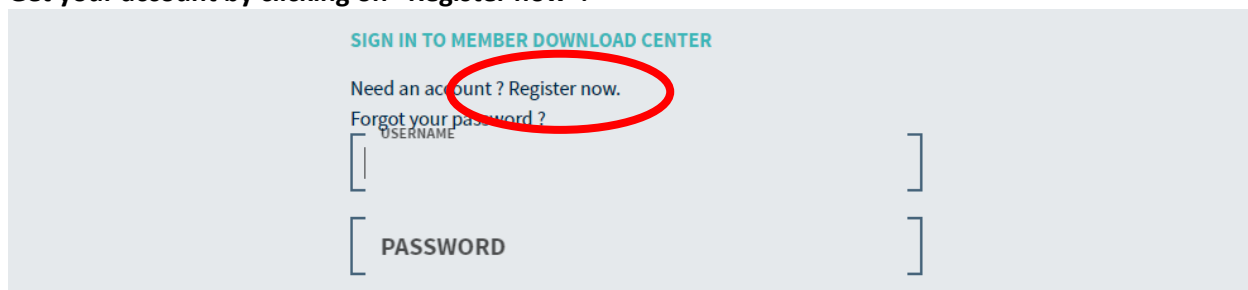

Please note that the WFSGI has a new website which does also contain a download center where public, but also members data is available. In order to have access to the restricted members area please follow the below steps in order to create your own user account.

Please note also that the old accounts from the previous WFSGI website are not valid any longer.

### 1. Go to [www.wfsgi.org](http://www.wfsgi.org) and click on the Download Center:

### 2. Get your account by clicking on "Register now":

**3. Enter your information:**

[ EMAIL ADDRESS ]

[ USERNAME ]

[ PASSWORD ]

[ CONFIRM PASSWORD ]

**CREATE NEW ACCOUNT →**

- 4. The WFSGI will activate your account within 48 hours maximum and you will have full access to the members area of the download center.  
WFSGI Board Members will also have access to the Board area in the Download Center.**

In case of any questions please contact Yves Möri at [ymoeri@wfsgi.org](mailto:ymoeri@wfsgi.org).
